Maverick junior.
A smile with every step.

The F24 *Maverick junior* was designed for active children and adolescents who navigate varied indoor and outdoor environments and place a high value on flexibility and durability.

Designed for optimal outcomes

- The fiberglass design delivers a high degree of durability and flexibility with the expected energy return
- The universal rounded toe element offers users increased robustness
- Low build height
- Pyramid or lamination anchor connection options
- The integrated heel wedge with optional insert makes it possible to customize the shock absorption at heel strike
- The sole of the footshell features a smiley face as well as a texture for walking barefoot
- Easy cleaning
- Waterproof - Protected against fresh, salt, and chlorinated water

More than a foot. A foundation.
